MB Group quick Overview

MB Logistics, part of the publicly listed MB Engineering Group, draws on 40+ years of expertise in the electrical industry. Supported by strong infrastructure and key subsidiaries like MB Electrical Systems, Sha7en, and Beta Electric, we deliver reliable, technology-driven logistics solutions. As Egypt's official distributors for Hager and Hyundai Electric, we ensure top-tier service, quality, and performance.

About Us

- ⚡ Founded in 2017
- ⚡ Warehouses Spanning upper Egypt, Alexandria and Monufia region
- ⚡ An Extensive Fleet
- ⚡ Compliance and Safety

Our Services

Express Delivery

We offer fast, reliable delivery, including same-day and next-day options, with careful tracking of every shipment.

Distribution & Order Fulfillment

We ensure timely, accurate delivery with smart route planning and strong last-mile service, tailored to customer schedules.

Warehousing

We offer secure, flexible storage with real-time inventory tracking and efficient space use.

BANKING & DOCUMENT SERVICES

We provide secure, time-critical document delivery for financial institutions and businesses.

CONTRACT LOGISTICS

We offer long-term logistics support to streamline recurring transport needs, cut costs, and boost efficiency.

VALUE-ADDED SERVICES

Beyond core logistics, we provide packaging, labeling, loading/unloading, and 24 customer support.

INSURANCE SOLUTIONS

We provide insurance to protect goods during transit or storage, reducing financial risk from loss or damage.
